Surface treatment project to begin May on CO 9 in Summit and Grand Counties

By Elise Thatcher, Northwest Colorado Regional Communications

CDOT anticipates 20-minute delays. Other benefits of the project include the installation of new guardrails that will be 31 inches high and designed to meet new safety standard requirements. The higher railing will help veering vehicles remain on the road more effectively, making the highway safer for the traveling public. The former standard height of the guardrail was 27 inches.

The Colorado Department of Transportation (CDOT) will begin a surface treatment project at two locations on CO Highway 9 starting May 1. Motorists should plan for 20-minute delays during construction hours. Elam Construction of Grand Junction is the contractor for this project.

Work on CO 9 from MP 107 to MP 113, north of Silverthorne, will consist of 1.5-inch hot mix asphalt (HMA) overlay, guardrail upgrades, repair of slopes in danger of eroding, striping, signing, and shouldering. Work on CO 9 from MP 126 to MP 137, south of Kremmling, will consist of a full-width chip seal and fog coat, minor shouldering, striping, repair of slopes in danger of eroding, installation of riprap, and signing.

The HMA will add approximately 10 years of life to the highway, provide a smoother road surface, and add durability by increasing the resistance of ruts and road damage. This will allow for a smoother and safer drive for motorists.

The chip seal application will help protect and extend the life of the underlying pavement. The new surface will provide skid resistance and reduce overall cracking.

Motorists should plan for one-lane, alternating traffic guided by a pilot car and 20-minute delays. Bicycles will be shuttled through the work zone. Hours of operation are Monday through Friday from 7 a.m. to 5:30 p.m. The project is expected to be completed by mid-Oct.

Traffic Impacts
Map of the project work located South of Kremmling Map of the project work located North of Silverthorne

Project Information
For additional information about this project:

Call the project information line at 970-549-0322

Email the project team at: resurfacingproject@gmail.com

Visit the project website at: www.codot.gov/projects/co9surfacetreatment

Know Before You Go
Travelers are urged to “know before you go.” Gather information about weather forecasts, anticipated travel impacts, and current road

conditions before hitting the road. CDOT resources include:

Road conditions and travel information: COTrip.org

Download the COTrip Planner app: bit.ly/COTripapp

Sign up for project or travel alerts: bit.ly/COnewsalerts

See scheduled construction lane closures: bit.ly/lane closures

Connect with @ColoradoDOT on social media: Twitter, Facebook, Instagram and YouTube.

Remember: Slow For The Cone Zone

The following tips are to help you stay safe while traveling through maintenance and construction work zones.

- Do not speed in work zones. Obey the posted speed limits.
- Stay Alert! Expect the unexpected.
- Watch for workers. Drive with caution.
- Don't change lanes unnecessarily.
- Avoid using mobile devices such as phones while driving in work zones.
- Turn on headlights so that workers and other drivers can see you.
- Be especially alert at night

- while driving in work zones.
- Expect delays, especially during peak travel times.
- Allow ample space between you and the car in front of you.
- Anticipate lane shifts and merge when directed to do so.
- Be patient!

Download the COTrip App!

The new FREE COTrip Planner mobile app was designed to meet the growing trend of information on mobile and tablet devices for the traveling public. The COTrip Planner app provides statewide, real-time traffic information, and works on mobile devices that operate on the iOS and Android platforms. Visit the Google Play Store (Android devices) or the Apple Store (iOS devices) to download!

Grand County Update

Letters to the Editor

The family of Judy Romero wants to thank the community for their support during the family's difficult time following her passing. Thank you to the West Grand School District, Allington Inn and Suites, Flowers by Marcia, Middle Park Meat Company, and everyone that helped with the food arrangements.

We would like to extend a special thank you to Bob Dell, Kim Cameron, Sami Lechman, Sage Lechman, Shelia Jones, and Jessica Brinkley for all of their help with the memorial service. It's comforting that the community we know and love will always come together in good times and in bad.
Michelle Romero

Birth Announcements

Blaze Harper Bailey was born on the snowy morning of March 22 at 8:05 A.M. to parents Wade and Becca Bailey and proud brother, Gib. She weighed 7 pounds 4 ounces and was 18.5 inches long.

A focus on early childhood development in Grand County

by John Riedel

We hear it all the time, "I'd love to take the job, but can't find affordable full-time early childhood care and education for my child, so I have to decline." We've heard it in meetings with school superintendents and school board members. We've heard it at Chamber of Commerce meetings too, "The health of our children determines the health of our county."

We have work to do in this area. County parents need safe, affordable child care, and our county's children deserve high-quality child care to support their developmental needs.

Grand County Democrats are focusing efforts on supporting early childhood development as an essential resource in the community, an area in which Grand Beginnings specializes.

This Granby-based organization runs the Grand and Jackson Counties Early Childhood Council, a coalition of community members and leaders representing early childhood

education, physical and mental health, and family and child support services. By getting behind the important work Grand Beginnings is doing, we can increase and improve early childhood development programs and expand child daycare services, which would allow Grand County families to consider both spouses working or single parents the ability to work full time.

There are many ways the community can help according to Katy Hale, Executive Director of Grand Beginnings. In the short term, you can attend the Annual Children's Fair on April 28, from 11 a.m. to 1 p.m. at Sun Communities.

If you want to know how else you can support early childhood development in Grand County, contact Katy at: Grandbeginnings.org

Submitted by John Riedel and Zachariah Falconer Stout, co-chairs of Grand County Democrats

Hot Sulphur Springs

Hot Sulphur Springs Chamber of Commerce Town Clean-Up Day is Saturday, May 6, 2023, from 9 a.m. – noon at 324 East Grand Avenue (Harms & Sons, LLC). Free household trash and yard waste disposal is available and open to residents of the Town of Hot Sulphur Springs and the Hot Sulphur Springs/Parshall Fire Protection District ONLY, residency proof may be required.

Harms & Sons will be accepting batteries, appliances, and electronics. Tires will be accepted for a fee of \$8.00 each. Absolutely NO construction site or commercial waste.

This is a great opportunity for residents to help clean their alleyways, houses, and yards. The Hot Sulphur Springs Chamber of Commerce reserves the right to refuse or limit disposal. When bins

are full, all others will be turned away. Sponsored by Harms & Sons, Hot Sulphur Springs Chamber of Commerce, and Ranch Creek Waste.

Story hour at the HSS Library is on Mondays at 10:30 a.m., and Teresa Banman will be hosting a fun craft time on April 28. Contact HSS Library for more information on April and May activities.

As the snow continues to melt and warmer temperatures are in the forecast, please be aware of children getting off the school bus and playing around bus stop areas. Keep a lookout for kids on bikes, more families out walking around town, and activity in alleyways. We've all caught spring fever after a long, cold, and big snow season, so extra attention on our youngest residents when driving around Town is appreciated!

Granby

High Altitude Co-ed Volleyball Challenge

The Granby Recreation Department hosted its 6th Annual High Altitude Adult Co-ed Volleyball Challenge at the Granby Soccer Dome. This challenge was 2-day tournament held on 4/13/23 & 4/20/23, and we had a total of 8 teams participate from all of Grand County. The results from this tournament were:

- Final Tournament Standings
- Washed Up
- Mudflingers
- Let's PLAY
- Drowsy Water Ranch
- How I Set Your Mother
- Team Mess Around
- Prather
- Spike Town USA
- Pregnancy Resource

Connection classes and events

Infant Massage Classes through Pregnancy Resource Connection are held twice per month during the last week of the month. The next classes will be on May 22 and 24.

Parent-led play group is every Tuesday at 10 a.m., changed from 1 p.m.

Childbirth Classes for mothers expecting in June, July, or August, will be held at the PRC office on May 12, 13, 19, and 20.

PRC's Baby Bottle Campaign will begin on Mother's Day, May 14. Pick up your bottle, fill it with spare change, and return it to your church or PRC by Father's Day, June 18.

Contact Pregnancy Resource Connection (970) 887-3617 for questions about any of these events.

21st Annual Children's Fair

Grand Beginnings will hold its annual children's fair on April 28 from 11 a.m. to 1 p.m. at Sun Outdoors, 1051 Summit Trail, Granby. There will be community businesses and organizations attending that all have interesting, fun, and

educational activities planned for children and families! This event isn't all games, as free dental, hearing, and eyesight screenings will be offered on the premises.

Sisu Farms to be at Granby Library

Learn about Sisu Farms' mission to continue to improve the methods used to better utilize the land, water, and animals. Aila

Holley will share the principle, "Food can heal the body. Farming can heal the earth." Presentation will be a 1 p.m. on May 13.

LOOKING AHEAD:

Baccalaureate Service, 2 p.m., May 21, WGHS Auditorium
Graduation, 10 a.m., May 27

Mustangs continue to shine despite travel challenges

by Coach Brown

The Mustang track team competed in two meets this past week and couldn't catch a travel break in the cold, windy spring weather. The Battle Mountain Husky meet was the closest travel of the season and saw the Mustangs record 22 PRs and 7 top-2 finishes. Girls' scoring was led by Luci Bruchez, taking 2nd in the shot, Sara Lechman with 6th place in the 100 and 400, Morgan Nelson 8th in the discus, and Wendy Eller 8th in the 300 hurdles. Six relays placed with the 4X400 team of Taylor Martinson, Brooke James, Lillian Hufford, and Sara taking 3rd.

The boys maxed out their scoring possibilities with 65, placing them 6th of 12 teams. Joe Probst won the 110HH [16.13] and had a huge PR for 2nd in the 300H [43.07]. Wyatt Howell won the 100 in 11.48. The relay team of Wyatt Shearer, Brayden James, Joe, and Wyatt won the 4X100 [44.87] and the 4X200 [1:34.18]. The 4X400 relay of Cooper Martinson, Brayden, Wyatt, and Wyatt won 2nd. Also, scoring was Dean Ratcliff 1600 for 6th and 800 for 8th, Ryan VanOosten discus [115-1] for 6th, and Blake

Terryberry shot [36-0] for 8th. Sara, Joe, and Wyatt Howell were 4 of 4s.

The second meet was the 25-team Coal Ridge Invite with temps topping out in the high 30s. Also, many Mustangs were sick; some stayed home, and a few tried to compete but were not 100%. The girls had season bests from Lillian Hufford [3rd] and Olivia Stefanik [7th] in the pole vault – both at 8-1 and Sara Lechman took 8th in the 200 in 28.34. The 4x200 was 7th in a season-best 1:57.10, made up of Taylor Martinson, Brooke James, Lillian, and Sara while the 4x400 relay was 8th. The boys scored with Joe Probst taking 6th in the 110HH, and the 4x400 relay team took 6th.

This week the Mustangs will host their High Country Pole Vault Championships on Thursday starting with the boys at 10 a.m. with the girls to follow. Up to 18 teams are expected including the largest, Cherry Creek, and one of the smallest, Lone Star. Over 100 vaulters are expected. On Saturday they travel to Steamboat for the Sailor Invite with 12 teams. This will be the last turn up before the WSL meet in Grand Junction.

KMHD Board Elections

On May 27 A.M. - 7 P.M. Poll Place Election at the Middle Park Health & Wellness Center, 109 South 9th Street, Kremmling.

Kimberly Cameron

Middle Park has been my family's home for five generations. I grew up in Kremmling when Doc Ceriani was practicing and still making house calls.

Throughout the years, the community has blessed and enriched my life through many experiences and different opportunities.

I was the editor of the Grand Gazette for ten years, and recently, I returned to teaching middle school at West Grand. I obtained a Bachelor's of Speech Communication with an emphasis in elementary and middle school education from the University of Northern Colorado.

I am also the mother of four children – who were all raised in Kremmling. My youngest is a sophomore at West Grand High School.

Local healthcare and emergency access have been important to generations of my family in all stages of our lives.

I am proud of our community and am proud that it has prioritized healthcare. The Kremmling Memorial Hospital District was formed from the community's vision, dedication, and commitment to our hospital and has continued to grow into the Middle Park Health we know today.

I want to ensure that quality healthcare and long-term care remain in Kremmling for my family, friends, the county, and everyone in our District. Our local hospitals and clinics help ensure the vitality of our community not only by providing healthcare but also by providing nearly 300 jobs.

In addition to ensuring the longevity of quality care, I want to represent what others in the community want and need.

I would be honored to be your board member for another term. I have served on the board for three years as the secretary/treasurer, and before that, I attended meetings as the Grand Gazette.

If you would like to chat about Middle Park Health, my cell is

970-509-0547, and my email is cameronkim@outlook.com.

Thank you, and I appreciate your vote on May 2.

Cindy Multerer

Hi! I'm Cindy Multerer. It is with great excitement that I introduce myself as a candidate for the KMHD/MPH Board of Directors open seat.

I have been a resident of Grand County for 24 years, having raised my two sons in Kremmling. My oldest is an apprentice plumber in Granby; my youngest is a student at Princeton University.

I am passionate about community engagement and involvement, having volunteered as often as possible throughout my many years here. I currently serve on the Board of Directors for the Kremmling Area Chamber of Commerce, a position I have held since late 2018.

I believe that my professional experience and personal values make me the ideal candidate for

this role. Out of my 24 years here, I worked for Middle Park Health for 17 of them. This included acting within a leadership position that was vital to the organization and its employees. Because of this, I am in the unique position of intimately understanding the needs of the organization, as well as having the critical knowledge of how it operates.

While I have chosen to move forward with a different position in my career, my heart and commitment steadily remain with MPH and their dedication to providing the best quality health care for our community. In today's political and financial climate, rural healthcare is at risk of becoming unavailable to our residents, sooner than one might think. It is vital that steps are taken now to avoid a future loss, and I am prepared to do that.

Due to the disparities of healthcare in rural areas, the leadership of MPH has a responsibility to engage and work collaboratively with government officials to address the community healthcare needs, ensuring the viability of hospital services to all residents and guests of Grand County. As a board member, I will be there to

support and guide them to fulfill the vision of Middle Park Health for all.

Chris Murphy

I am Christine (Chris) Murphy and I am running for re-election on the KMHD Board of Directors. This would be my 2nd term, and I am currently the vice-chair. I am vested in our health care system and the well-being of our communities. Serving on this board is both an honor and a commitment, both of which I take to heart.

A little background on me; I moved to Silverthorne in 1991, and to Kremmling in 2000. My family includes my husband, Bernie, and our daughter Jacey. We have been business owners in both Summit and Grand Counties; owning Murphy's Food and Spirits for 20 years and currently

owning Grand Appraisal Service. Jacey attended West Grand schools from pre-K through graduating in 2017.

I feel my past and current experiences with other boards and community involvement renders the KMHD Board of Directors a good fit for me. I have served on the Middle Park Fair and Rodeo board, and I am currently on the Grand County Planning Commission. I am also the President of the Middle Park Roping Club.

The history of Kremmling Memorial Hospital, now Middle Park Health, is enduring and treasured; which is why keeping our healthcare local is a focal part of my desire to stay on the Board. We have recently updated and expanded the Kremmling hospital and emergency room. We have brought back past services, brought in new, and continue to expand services in Kremmling. The Granby campus has also been expanded and updated. Our outreach clinics, with our two hospitals, ensure the viability of all facilities – but we need to continue to operate in a responsible manner; both fiscally and in services offered.

I have learned a lot over the past three years, and would like the opportunity to bring those experiences forward into the next four years. I would appreciate your vote on May 2 to continue to serve on the KMHD Board of Directors.

Obituaries

In Memory of Louis Richard "Dick" Stengel

Louis Richard "Dick" Stengel, 90, went home to be with the Lord on Thursday, March 30, 2023, at Middle Park Health Center, Kremmling, Colorado. He was born on June 10, 1932, in Boulder, Colorado, to Marguerite Mary and Louis Andrew Stengel.

Dick grew up on the historic Stengel family farm in Boulder County, Colorado. He graduated high school and married the love of his life, Mary Margaret "Peg" Lee in 1950. Together they raised five children and retired to their mountain home on Gore Pass (Old Park) near Kremmling, Colorado.

Dick became somewhat of a legend in the community as he was a "Jack of All Trades" and through his company, Custom Fabrication, designed and built many steel handrails, etc., custom cabinets, and furniture for the surrounding neighbors' cabins. There was seldom a time when a neighbor would bring some broken item (vehicles, tools & equipment, etc.) that Dick could not repair. Dick could work in all modalities-carpentry, welding, and auto mechanics and loved to share his knowledge and skills with anyone interested.

Dick spent many years working with the National Park Service in removing the beetle-killed pine trees on forest land. His kids would tease him by saying, "When he

grew up, he was going to be a lumberjack." Dick made good use of the timber by milling the wood on the property and then using that wood in his carpentry projects.

During their 63 years of marriage, Dick and his wife spent many years traveling all over the US in their customized motorhome (he demolished the interior, extended the chassis, and built the interior all back again in the configuration that worked for them). He loved "4'wheeling" – following off-road trails in his Jeep – as well as camping and fishing while enjoying the beauty of the Colorado mountains.

Dick is survived by his children, Peggy Barnett of Mohave Valley, Arizona; Judy (Norm) Marsh of Windsor, Colorado, Donald (Vickie) Stengel of Dacono, Colorado, Marlene Stengel of Anchorage, Alaska, and Lori (Randy) Page of Longmont, Colorado; seven grandchildren; six great-grandchildren, and four great-great-grandchildren.

He is preceded in death by his wife, parents, and sister Barbara King.

The family is planning a Celebration of Life in early June. Details will be forthcoming.

In lieu of flowers, the family suggests tax-deductible donations be sent to Troublesome Horse Rescue, PO Box 1621, Kremmling, CO 80459; or the American Heart Association.

Obituaries are posted for FREE in the Grand Gazette. Our desire is to support those who are suffering through a loss and help in whatever way we can. Obituaries have no word limit and you can place up to 2 photos. Entries can be submitted to editor@grandgazette.net. We ask that all entries be submitted by 5 p.m. on Mondays.

Grand County LIBRARY District

More to the Story

One Grand Book Kicks Off National Library Week

by Polly Gallagher, executive director, and Tallie Gray, director of library resources.

Libraries are full of stories in a variety of formats, from picture books to large print, audiobooks to eBooks, and snowshoes to violins. But there's so much more to our story, as highlighted by this year's National Library Week theme: There's More to the Story.

Grand County Library District (GCLD) presents One Grand Book with "Cheap Land Colorado" by author Ted Conover. Raised in Colorado, Conover was a weekly visitor to Winter Park Resort, thanks to the ski train and the Eskimo ski program. These days, Conover is an immersive nonfiction writer, living and experiencing the life he writes about. Through his books, he reveals more to the story than a cursory overview would suggest. In "Cheap Land Colorado: Off-Gridders at America's Edge," Conover takes us to the San Luis Valley and introduces us to a diverse cast of characters living on the edge of society who call the valley home. Stop by a GCLD library and pick up one of Conover's books to join a shared reading experience with other readers in our community.

But there's so much more to the story. As a public library, GCLD isn't just encouraging the community to experience a shared read. Look for programming in April and May around issues raised in "Cheap Land Colorado." Off-grid living, sustainable agriculture, and Grand County health infrastructure are some of the topics slated for discussion. Rather than being on the fringe of society, come together and look at what our community can do.

But there's so much more to the story. GCLD's internet and technology services provide instant access to an outstanding collection of online resources. Considering moving your

electricity from the grid to solar panels? Check out the plethora of resources and DIY building lessons available through our library databases. No algorithms. No artificial intelligence. No advertisements tracking your work.

GCLD patron Rosalie Rust used library resources during a recent home build. "We felt very blessed to be able to receive through GCLD and Marmot/Prospector the very real gift of practical knowledge. Books on planning, energy, electricity, plumbing, and hydronic heating empowered us to accomplish many portions of our home build, thus saving our family tens of thousands of dollars."

But there's so much more to the story. If you're a business owner, a job seeker, or an entrepreneur, GCLD offers a wide variety of training materials and resources just for you. Check out Career Online High School, Universal Class, or set up a meeting with the Colorado Workforce. Need a free place to meet or a larger screen to make virtual meetings easier? Check out our free meeting spaces and study rooms.

There's so much more to the story at GCLD. Yes, we're still the library of your childhood, a place steeped in literacy, comfort, and curiosity. But GCLD libraries also enrich lives by welcoming community members to join a wide array of programs and by providing access to a vast collection of life-changing resources.

If you haven't checked out one or all of GCLD's five libraries lately, you could be missing the full story. Stop by for a visit to celebrate National Library Week, April 23-29.

Follow GCLD on Facebook or Instagram. For more information, explore www.gclid.org.

Is your home safe from radon?

Testing for radon is easy

What is radon?

Radon is a naturally-occurring invisible, odorless gas that comes from the radioactive breakdown of uranium in soil, rock, and water.

Radon in Colorado

About 50% of homes in Colorado have high radon levels.

Every year, over 20,000 people die in the U.S. from lung cancer caused by radon.

Grand County Public Health provides **FREE** radon test kits to residents.

To get your free test kit, go to your local Grand County public library.

For questions, reach out to:
